SECTION III. PROGRAM NARRATIVE

Needs Assessment, Resource Analysis and Service Plan

1. Describe how your agency will identify and recruit applicants for the program from the following demographic groups:
 - a. Elderly
 - b. Disabled
 - c. Households with young children
 - d. Households with and high energy burden
 - e. Households that are considered high energy users

2. Describe the need for weatherization services in the area (s) served by your agency below (number of households in poverty, energy burden of low-income households, and average energy expenditures of low-income families).

PROGRAM NARRATIVE (Cont.)

3. Identify all staff below that will be paid directly, in whole or in part, with weatherization and/or HARRP funds. Attach a current resume and job description for each individual and position listed (certifications, licenses, etc.).

Name	Position Title	Duties	# Yrs in WX

4. Attach an agency wide organization chart that includes all positions that are to be paid, directly or indirectly in whole or in part, with weatherization or HARRP funds.
5. Does your agency plan to subcontract weatherization work (including shell work, insulation placement, and duct sealing) during FY 2007? Please note that the use of HVAC contractors, plumber, and electricians are not applicable to this question.
6. Identify below all firms, individuals that your agency currently contracts with to perform weatherization services including insulation installation and HVAC.

PROGRAM NARRATIVE (Cont.)

7. Describe how your agency ensures that prices paid for weatherization materials, supplies and services are fair and competitive.

8. Attach a copy of your agency's written procedures for handling eligibility appeals for clients deferred for weatherization services.

9. Attach a copy of your agency's written procedures for handling client complaints received from clients dissatisfied with weatherization work.

10. Identify additional resources to be mobilized or leveraged by your agency to assist in implementing the FY 2007 Weatherization Assistance and HARRP Programs (utilities, companies, programs, resources). Estimate the additional units and the total value of expected contributions. Leveraging activities supplement the weatherization program or can be used to run a parallel program. Leveraged resources should expand energy efficiency services and/or increase the number of DOE-eligible dwelling units weatherized. Please note, that landlord contributions are not considered leveraged recourses.

PROGRAM NARRATIVE (Cont.)

11. Describe the local training and technical assistance activities that your agency plans to provide for staff and subcontractors utilizing Weatherization Training and Technical Assistance funds received during FY 2007 (identify tentative dates, topics, trainers and costs). *Training sponsored directly by OEO should not be listed here (i.e. Whole House Weatherization, Auditor Training).*
